

Indiana Regional Medical Center presents:

A S.T.E.M. Experience

(Science, Technology, Engineering & Math)

A Family Fun Event Featuring:

Snapology

Snapology Learning Stations will be on-site with guided building sessions. Sessions will be divided into age-appropriate groups and feature a hands-on learning environment with specific project goals in mind.

Preschool Play Area - Build a hospital using large Duplo bricks

K through 2nd Grade - Build a simple machine (i.e. catapult, vehicle)

3rd Grade through 6th Grade - Build a motorized machine (i.e. drawbridge, helicopter)

7th Grade and up - Demonstration of video game design/computer programming

Plus a **'Waiting Area'** where children and parents can build a race car and race it down an inclined track.

IRMC Departments will be on-site to answer questions and explain how S.T.E.M. concepts are used in healthcare delivery. Come and interact with our professionals and learn how they use technology!

Come out to IRMC Park to witness the judging of the **LEGO Contest**. Participate and vote for the **People's Choice Award**. Information and Entry Forms for this contest can be found on our website: www.indianarmc.org under **Classes & Events** or at: www.johnstown.snapology.com

Register for this FREE event by calling (724) 357-7188!

FOOD!

FUN for ALL AGES!
